**Expert Choice Green Belt® Public Training Program
October 27-28, Arlington, Virginia**

Empower yourself and your colleagues to bring the value of Expert Choice to your business to make better, faster, and more responsible decisions.

What you will learn in this course:

- ***How to structure and manage complex decisions***
- ***Basic and advanced software usage skills***
- ***Group decision making best practices***
- ***Meeting facilitation skills using Comparion TeamTime***
- ***Portfolio management and resource allocation using the EC Resource Aligner***
- ***Solution deployment best practices and decision governance***

This intensive training solution includes the following core modules:

Module	Title	Description
Module 1	Overview of Comparion Core	See a powerful demonstration of how leading organizations use Expert Choice's tool suite. See the value propositions for the solution and review its applicability to various decisions.
Module 2	Understanding the Basics	Learn about decision making best practices and the fundamentals of the Analytic Hierarchy Process. Gain a thorough understanding of how EC's tools help leaders make better and faster decisions.
Module 3	Effective Planning Activities	Set up your decision models with planning, problem research and stakeholder analysis. Leverage proven pre-meeting questionnaires to better understand the voice of your stakeholders.
Module 4	Up and Running with Comparion	Build effective decision models from the top down and bottom up. Translate your information into a powerful hierarchy of objectives. Define the proper measurement methods, set-up the workflow and begin collecting input.
Module 5	The Art of Facilitation	Learn and practice the activities, mind-set, and talk of a professional facilitator.
Module 6	Collaborating with TeamTime	Group-enable your decision models for facilitation with keypads or over the Internet. Facilitate Group models using EC's proprietary methodology.
Module 7	Leveraging the Results	Use Comparion's powerful synthesis capabilities to review your priorities. Iterate to improve your decisions using five types of sensitivity analysis techniques.
Module 8	Achieving Optimal Results	Allocate your resources optimally using the power of EC's Resource Aligner with its advanced optimization engine. Practice with advanced constraint modeling techniques and multiple funding scenarios. Learn about PMO and governance best practices.
Module 9	Implementation Roadmap	Put it all together with an impactful deployment plan that lets you hit the ground running. Explore decision best practices and learn how leading organizations have effectively implemented EC's tools.

By signing the adjacent line you are stating that you will attend the course. Your registration will be complete (and your seat confirmed) upon receipt of payment or a Purchase Order.			

Cancellation Policy

Prepayment or a valid purchase order is required to reserve a course seat.

All course seats obtained by purchase of Comparion Suite / an EC11.5 package must be taken within one year of the purchase date. After one year the course seat is forfeited.

All customers that have purchased a seat without purchasing Comparion Suite / EC11.5 and wish to cancel their reservation must do so at least one month prior to the course date in order to receive a full refund. If not, Expert Choice, Inc. will do its best to accommodate you in another class, based on availability.

All people wishing to cancel their seat reservation within two weeks of the course date may send a substitute in their place.

Expert Choice, Inc. reserves the right to cancel any seminar up to two weeks prior to the scheduled course date. Customers will be notified by telephone, email or fax of any cancellations. Paying customers will be given the option of being issued a refund after the cancellation or reserving a seat for the next available course date.
